**School Environment**

St Mary's Echuca is a co-educational Catholic primary school of 630+ students from Years Prep to Year 6, founded by the Bridgidine sisters in 1887. St Mary's is situated in Echuca, in the northern part of Victoria along the banks of the Murray River. Our Catholic faith is central to all we do and we celebrate that we are, *"A faith community, learning together, spreading the Good News of Jesus through positive relationships, trust and love."*

As a school community we strive to nurture specific graduate outcomes in all students in hope that they embrace the world with the ability to respect, act with courage, be inclusive, strive to achieve, to serve others and celebrate all that life gives them. St Mary's staff, families and students strive to make a difference to all.

**Overview**

The LOP: Numeracy is responsible for planning, co-ordinating and implementing a comprehensive School-wide literacy program that supports the School's educational belief of Teaching and Learning.

The role of the LOP: Numeracy is to support and collaborate within the leadership team in effectively and purposefully managing the planning, delivery, evaluation and improvement of the school. The incumbent works closely with the Principal in enacting the school's strategic direction, including the strategic deployment of resources, and aims to support improved learning outcomes for all students engendering faith education and Catholic identity.

**School Leadership Team**

Effective school leadership uses a range of technologies to efficiently manage the resources and staffing of the school. High-impact leaders seek to build a successful school through effective

collaboration with key stakeholders, including school boards, systems (where applicable), parents and community.

In collaboration with the Leadership team, the LOP: Numeracy drives school improvement of literacy across the school by establishing an environment that provides opportunities for all staff to learn and improve together whilst applying their knowledge of leadership, management concepts and best practice.
