

Schedule of Fees 2024

A faith community, learning together, spreading the Good News of Jesus through positive relationships, trust and love.

1st December 2023

Dear Parents and Carers,

Everyone in our school community works tirelessly together to ensure all Learners at St Mary's, get the best possible opportunities in their education. Part of this is making sure the school has the resources to meet our student's needs. We all have a responsibility and a role to play in ensuring the ongoing management of the school's resources and it is for this reason that I write to you today.

Catholic schools operate on approximately 80% of the funding of what the state schools receive from the Government. Even with fewer resources from State and Federal Governments, the Catholic system is amongst the best in the world. Through school fees parents help to reduce the gap from 20% to around 10%. Even though it may not seem like much individually, when all families contribute to the financial needs of the school via fees it makes a huge difference to the opportunities children at St Mary's can receive.

Please take your time to view our fee structure and plan how you can meet this in a way that suits you and your families other commitments.

If you hold a Health Care / Pensioner concession card you may be able to access CSEF assistance which contributes to your child's Camps, Sports and Excursions. This allowance is paid directly to the school and deducted from your fees. A form to apply for CSEF is attached. Centrepay is also another option, and fees are paid directly to the school from payments received from Family Tax A and B. If this option is of interest to you, please request a form from the school office.

St. Mary's and CES Sandhurst expected payment of fees as of 2024 is Direct Debit. The school directly debits a specified amount from your bank account on a Friday and can be set up for weekly, fortnightly, monthly on the 19th, quarterly or annual installments. A direct debiting authorisation form has been attached. Any alternate payment method must be discussed and approved by the Principal.

It is the school's belief that no child will be denied an opportunity to attend St Mary's Echuca due to financial hardship. As Principal of St Mary's I am always available to meet parents to discuss any hardships around paying school fees. There is an opportunity to apply for financial assistance from the school to help alleviate any issues around school fees if the need occurs. Our school fee policy and procedures have also been included for your understanding and future budgeting. This policy can be found on St Mary's website and on our parent management platform if you need to refer to it at any time.

On accepting and committing to enrolment within St Mary's, Catholic Education Sandhurst Pty Ltd, parents / carers agree to paying fees. In respecting the dignity of all in our community it is expected that all families make the best effort to contribute to school fees.

Attached is St Mary's school fee and levy structure for 2024 - as a reference. Schools in Catholic Education are advised to increase fees annually in accordance with the Educational Consumer Price Index. Our school fees and levies ensure St Mary's can cover daily running costs as well as educational resources for our Learners.

If you have any queries pertaining to fees, please feel free to contact me.

Kind Regards

Jasmine Ryan
